Ben – what is your timing on this? I want to look over it but probably will not have time today.

Thank you,

Ben, Mary, responses are on H:

H:\REGION SHARE\West Lake Schedule Tracker\Community -MCE - EJ correspondence etc\CAG\Questions and Responses for June 16 CAG Meeting.docx

Note that these written responses are not necessarily in a releasable form at this point, they probably need a bit of formatting and cleanup.

Ben, please provide the written EPA responses to the June questions submitted by the CAG. We have the July responses , but are missing the June responses.

Please find attached the June questions for reference. Thanks!
